## **ELIGIBILITY TO PARTICIPATE IN THE 2012 ALL-STAR MEET IS AS FOLLOWS:**

- Only 2012 Iowa annual registered USA swimmers may participate for Team Iowa
- Swimmers must be 2012 registered prior to the meet. Swimmers who are selected for the team, but who have not registered for 2012 will need to submit 2012 registrations with all meet fees.
- Swimmers must be age 14 or younger on Saturday, January 14, 2012
- Team Iowa will send the five fastest available swimmers in each event. Each swimmer can only participate in two individual events per session plus relays.
- Only USA Swimming sanctioned/approved/observed times/swims achieved after September 1, 2011 may be used. Only short course yard times will be considered. Conversion from long course meets to short course yards will not be considered.

## **HOW TO ENTER:**

- Parents should fill out the entry form, using the meet event list; to choose which events a swimmer wishes to be considered for selection. You will only be considered for events which are listed on the entry form.
- Swimmers may indicate their preference for events in a session. This will be taken into consideration, but Iowa Swimming, Inc. cannot guarantee that a swimmer will be selected for the team based on individual preferences.
- On the form, please indicate the event, the swimmer's best time after September 1, 2011 in the event, and the meet where the time was achieved.
- Swimmers who have turned in their application form will be allowed to update entry times until 5:00pm on December 14<sup>th</sup>.
- Swimmers' times can be found on the ISI website ([isiswim.org](http://isiswim.org)) or on the USA Swimming website ([usaswimming.org](http://usaswimming.org)).
- Events which are not filled out completely (missing time, date, etc.) will not be considered.
- If you need assistance, please contact the ISI office at [teamiowa@isiswim.org](mailto:teamiowa@isiswim.org)

## **TEAM SELECTION:**

- Final selection will be based on the combination of athletes, which makes the strongest contingent for Team Iowa.
- Five swimmers will be selected in each event for each gender and age group.
- After the entry deadline (December 14, 2011), a list of entered athletes will be compiled for each event. The entered athletes will be ranked from fastest to slowest entry time.
- Swimmers will be selected based on ranking in an event, time classification (A, AA, AAA, etc.) spread between swimmers, and personal preferences.
  - For example, a swimmer may be ranked #1 in two events in a session. The second ranked swimmer may be .01 sec behind in one event and 2 sec behind in the other. The top ranked swimmer may be chosen for the event where there is more of a spread, and not the other,, where the other swimmers are clumped closer together.
- Since swimmers can only swim two events per session, and selection is based on a number of factors, swimmers ranked well out of the top 10 may be selected for the team.

## **ENTRY FEES:**

- There is no cost when filling out the entry form. Fees are paid only when a swimmer is confirmed as being selected for the team.
- The cost for entry is \$4.50 per individual event and \$5.00 per swimmer for facility use fee. ISI will cover all relay entry costs. **DO NOT SEND ANY CHECKS UNTIL YOU ARE NOTIFIED OF YOUR STATUS ON THE TEAM** (a invoice will be sent). All payments will then need to be received no later than Tuesday, January 3<sup>rd</sup>.
