

JHS Swimming Booster Club
Minutes of September 12, 2011 Meeting

OLD BUSINESS

Ice Cream Social – Teresa Long reported it went well. Sign up sheets in lobby helped get more volunteers to sign up. Reasors donated ice cream and we purchased some more. Bobs and girls t-shirt signup was not in a visible spot. Warm-ups were not in a good spot. We need more checkout stations at the end.

Team Book Updates – Nancy is waiting for information on all the new kids to finalize rosters. Also for meet schedule to be finished. At that time, more team books will be ordered since we have so many new swimmers.

Pool repair updates – John reported that the air conditioner has been down many times which causes the dehumidifier to not work. They are working to get equipment replaced rather than repair over and over. Still no copier or Wi-Fi. Rust taken care of. Water temperature is good.

Meet Schedule – The schedule will be done after John hears back from Moore schools.

NEW BUSINESS

Dan Schuh, new freshman parent, with danschuhphotography.com came to talk about potential website. He offered to set up completely new website for no charge. Website would have more flexibility, could post pictures online, etc. He could set it up and web administrator could manage it. He also does photography and would be available for meets.

Parking Lot – There was much concern over the parking situation when morning workouts begin and the swimmers have a long walk in the dark. The parking lot outside the aquatic center is largely empty but unavailable for our swimmers to use. Diane Casey will find out the best avenue to pursue with administration and see if a compromise can be reached.

FUTURE ACTIVITIES

Car Wash – Sept. 17. Nancy will contact Mary Naber and ask if they have any information about car wash they want to send out. There is a chance of rain and we do not have a rain date.

Team Building – Sept. 27. Michelle is getting forms from new swimmers. Michelle will send directions and more information by email before the event.

Fall Splash Dinner – Sept. 30 – Tami Roach could not be at meeting but sent information that it will be a fiesta theme, casual, with a lower price for dinner. She is going to do invitations by Evite. Icebreakers were discussed since the main idea is for new parents to meet other parents.

Genghis Grill – Oct. 6 – Connie Doolin still has not gotten check from last fundraiser. She will pick up. Diane has fliers for the event and we will email out a week or so before. Diane will get it announced at the school.

TREASURER'S REPORT

Michelle reported that we started July with about \$10,000. We have about \$25k now but have not made any payments for merchandise, etc. Poinsettia forms will be going home on Sept. 30.

Next Booster Club meeting will be Monday, October 10th at 7 pm in the training room at the new pool.

Respectfully submitted,
Nancy Burris,
Booster Club secretary
