

We are having a silent auction at the banquet this year. Thank you for those who have already donated items. We are continuing to collect items so if you would like to donate items or services please let Ali Cleveland (ali@clevelandpartnership.com) as soon as possible. We are also looking to parents to donate four different baskets, put together a group of parents and help us out, we are looking for the following baskets: Movie night, game night, food basket and wine basket. This will be a fun addition to the banquet, we will be getting a complete list to you before April 18th so you can start planning your bids.

Take care,

Ali
